[www.printing.umn.edu](http://www.printing.umn.edu) Discover the new University of Minnesota Printing Services

Printing Services is committed to leading the charge to make responsible environmental choices that help place the University and the State of Minnesota at the forefront of the sustainability effort. We are dedicated to supporting the Board of Regents *Policy on Sustainability and Energy Efficiency* through both active implementation of environmentally-friendly printing practices as well as consultation with University departments regarding responsible communications decisions.

Printing Services is certified as a Forest Stewardship Council™ (FSC) Chain of Custody Company through Rainforest Alliance, an FSC-accredited body.

Printed on recycled and recyclable paper with at least 10 percent postconsumer waste material. The University of Minnesota is an equal opportunity educator and employer.
