

TEMPLATE IS IN 2 LAYERS

- Guides (Non-printable Layer)
- Design

SAFE AREA:

Keep all copy within the "Safe Area"
to ensure it doesn't get cut off.

BLEED SIZE:

Make sure the artwork extends to the
Bleed Area in order to ensure that the
page is printed properly.

The diagram illustrates the relationship between three dimensions of a print template: Safe Area, Trim Size, and Bleed Size. It features three horizontal double-headed arrows of different colors (purple, black, and red) spanning the width of the page. The purple arrow is the innermost, the black arrow is in the middle, and the red arrow is the outermost. The text labels are centered above each respective arrow.
